

Directory of Craftspeople with Experience in Historic Preservation

Nebraska State Historic Preservation Office (NeSHPO)

This directory is a resource for products or services of companies/individuals with experience in preserving and rehabilitating historic properties.

These companies/individuals have requested or consented to be placed on this list. The Nebraska State Historic Preservation Office is not endorsing any of these companies or individuals. We strongly recommend checking references, reviewing previous projects, and conducting careful interviews of prospective providers.

We reserve the right to remove businesses from this database if their work fails to comply with the Secretary of Interior's Standards for Rehabilitation.

Hiring someone with a proven-record in historic preservation is especially important when the project is using historic tax incentives. If you are interested in using historic tax incentives, please contact our office before starting any work.

If you are interested in having your business represented in the directory, please contact our office at hn.hp@nebraska.gov. To learn more about historic preservation, visit our website at <https://history.nebraska.gov/historic-preservation>
